RUSS BOOKBINDER

EXECUTIVE VICE PRESIDENT/BUSINESS OPERATIONS
WNBA GOVERNOR

Russ Bookbinder serves as the executive vice president of business operations for Spurs Sports & Entertainment. Now in his 18th season with the organization, Bookbinder manages the day-to-day business operations for SS&E's three sports franchises; the Spurs (NBA), Silver Stars (WNBA) and Rampage (American Hockey League). He also serves as the Silver Stars WNBA Governor.

Bookbinder was a key figure in bringing the Silver Stars to San Antonio. One of the first moves he made was naming Clarissa Davis-Wrightsil chief operating officer of the Silver Stars. Together, they worked countless hours educating the Alamo community about women's basketball and on November 13, 2002, the WNBA awarded San Antonio with a WNBA franchise.

The Silver Stars have enjoyed tremendous success in their first two seasons in the WNBA. Shannon 'Pee Wee' Johnson represented the United States at 2004 Summer Olympics in Athens, Greece and brought home a gold medal in women's basketball. In 2003, San Antonio ranked second in the league in sponsorship support and third in attendance, averaging 10,384 fans per contest. Marie Ferdinand represented the Silver Stars at the 2003 All-Star Game. The Silver Stars organization received a Macy's Heart and Soul Award from the American Cancer Society for their tireless efforts in their fight against breast cancer during the 2003 season.

Bookbinder has contributed to the success of the Spurs as well. The Spurs have enjoyed tremendous success in attendance, broadcasting, sponsorship support and community awareness during Bookbinder's leadership. During his tenure the Spurs have been one of the NBA's highest attended franchises; averaging more than 19,000 fans per game over the past 15 seasons.

Over the past two years the Spurs have been named one of the top two franchises in professional sports in ESPN The Magazine's Ultimate Standings. In 2004, the Spurs took home top honors, and in February 2005 they placed second in the standings. The team was judged by fans in eight categories including, fan relations, bang for the buck, ownership, players, stadium experience, affordability, coaching and winning. Bookbinder, along with SS&E management and staff use the same philosophy with all three of their franchises: Deliver a very competitive team built on character, teamwork and unselfishness and use that asset to positively influence your community.

Upon his arrival in San Antonio, Bookbinder created a community relations department and the non-profit Spurs Foundation, an organization designed to give back to the community. Since its formation in 1988 the Foundation has generated over $8 million in cash and in-kind contributions for area youth programs. In addition, he has worked with area school superintendents to establish several programs to motivate students in the areas of self-worth, character development, attendance and drug and substance abuse education. The Spurs' Project GOAL received the 1994 Human and Civil Rights Award from the Texas State Teacher's Association and in 2000, the team received the Pro Team Community Award from the World Sports Humanitarian Hall of Fame as the top team in all major league sports in serving the community.

Born and raised in Miami and a 1974 graduate of the University of Florida, Bookbinder started his career in the sports business in 1976 as the western regional manager for Professional Sports Publications. He has 24 years of experience in the NBA, serving in top management positions with the Dallas Mavericks, San Diego Clippers and Denver Nuggets. Prior to joining the Spurs, Bookbinder was the Director of Corporate Development for Raycom Sports.

Since coming to San Antonio, Bookbinder has been very involved in helping to enhance the sports industry in the Alamo City as a member of the Board of Directors of the San Antonio Sports Foundation. He played a major role in the creation of the Alamo Bowl and served as the president of the San Antonio Bowl Association in 1994. He continues to serve on the Bowl's Board of Directors.

In 1991, Bookbinder developed SAOne, Inc., the Spurs special event management company that has brought numerous NFL preseason, NCAA football and basketball events as well as NHL hockey to San Antonio. He was also instrumental in San Antonio's successful hosting of the 1996 NBA All-Star Game and served on the San Antonio Local Organizing Committee for the 1998 NCAA Final Four. Bookbinder has served on the National Board of Trustees for the Fellowship of Christian Athletes and is a member of the Board of Directors for the San Antonio Greater Chamber of Commerce. In addition, he is a member of the Advisory Board of the San Antonio chapter of the National Multiple Sclerosis Society and was named the National Volunteer of the Year in 2003.

Bookbinder is married to the former Tammy Teaff, whose father, Grant, is the former head football coach at Baylor University and is currently the executive director of the American Football Coaches Association. They have two children, an 18-year-old son, Josh, and a 15-year-old daughter, Jessy.

RICK PYCH

EXECUTIVE VICE PRESIDENT / FINANCE & CORPORATE DEVELOPMENT / SPURS SPORTS & ENTERTAINMENT
CHIEF DEVELOPMENT OFFICER / SBC CENTER

In his role as executive vice president of finance and corporate development for Spurs Sports & Entertainment, Rick Pych is responsible for all financial, facility administrative, corporate planning and development issues on behalf of the organization and ownership. Previously, from 1993 until being named executive vice president in January of 2000, Pych handled all accounting, tax, legal, and technology matters as chief financial officer for the Spurs.

A primary focus for Pych since 1995 has been the Spurs' new home – the SBC Center. Pych brought the need for a new Spurs playing facility to focus to the Spurs' owners in 1995 and started on a development, financial and operating study for the SBC Center. He brought together a team of architects and Spurs personnel in 1998 to formulate a design for the SBC Center. After winning the NBA championship in June of 1999 and a successful referendum campaign in November of 1999 that provided public financial support for the construction of the arena, Pych was named chief development officer for the SBC Center. From July 1999 through August of 2000, he led the negotiations with Bexar County and other governmental entities that secured arena development and operating rights agreements for the Spurs. Pych also negotiated a $90MM loan with a syndicate of banks which provided a funding source for the Spurs contribution to the project as well as refinancing existing franchise debt. Since the SBC Center opening in October of 2002, Pych continues to oversee the operations of the SBC Center.

Pych also led the organization's efforts to bring hockey to the SBC Center. In March of 2002, after exploring a variety of options, Pych negotiated an agreement with the Florida Panthers to form a joint venture and bring their American Hockey League affiliate to San Antonio. On May 6, 2002, the AHL Board of Governors approved the joint ventures membership application for the San Antonio Rampage. Pych represents Spurs Sports & Entertainment in the joint venture with the Panthers on all hockey operations matters. Pych also represents both organizations on the AHL Board of Governors.

Pych has 32 years of financial and business management experience. He is a certified public accountant and started his career in public accounting with Price Waterhouse (now known as Price Waterhouse Coopers). He then went on to work at a former client in investment/trade banking and real estate investment, which led to his relocation to Texas in 1987.

Since moving to San Antonio, Pych has been active in building the city's reputation as a first class sporting event destination. He was executive vice president of finance and marketing for the 1993 U.S. Olympic Festival. As a member of the Board of Directors of the San Antonio Sports Foundation, Pych was active in the organization's efforts to bring other major sporting events to San Antonio, including the 1995 National Senior Olympics, the 1998 and 2004 NCAA Men's Final Four and the 2002 NCAA Women's Final Four. In addition, he has served on various non-profit boards throughout his career.

Pych is a graduate of Fairfield University. He has an 18 year-old son, Zack, who attends the Hotchkiss School in Connecticut where he plays football and hockey.

CLARISSA DAVIS-WRIGHTSIL

CHIEF OPERATING OFFICER
ALTERNATE GOVERNOR

Clarissa Davis-Wrightsil serves as the chief operating officer and alternate governor for the San Antonio Silver Stars. Now in her fifth year with Spurs Sports and Entertainment, Davis-Wrightsil manages the day-to-day business and basketball operations for the Silver Stars.

Davis-Wrightsil spent her first two years with SS&E working to create awareness and excitement about women's basketball in the community and was the driving force behind the effort of bringing the Silver Stars to the Alamo City. Supported by the tireless efforts of the Spurs management, front office employees, basketball staff and coaches, the Silver Stars launched their inaugural season in the SBC Center in May 2003.

During the Silver Stars first season, while overseeing the business operations, Davis-Wrightsil worked countless hours with the sales staff to bring in revenues through the Silver Stars corporate underwriting program and ticket sales efforts. Furthermore, Davis-Wrightsil worked with local breast heath organizations in San Antonio in their effort in raising awareness and money in the fight against breast cancer.

In addition to her business duties, Davis-Wrightsil is responsible for overseeing the basketball operations staff, player acquisitions and post-athletic player development.

A San Antonio native, Davis-Wrightsil began playing organized basketball at the age of eleven and was a standout player at John Jay High School before moving up I-35 to Austin where she enjoyed an All-American collegiate career at The University of Texas where she earned a bachelor's degree in communications. As a freshman she led the Longhorns to a perfect 34-0 record and the 1986 NCAA Championship, being named the Final Four Most Outstanding Player. Her accomplished collegiate career at UT included being named National Player of the Year twice (1987, 1989), All-American three times (1987, 1988, 1989) and Southwest Conference Player of the Year twice (1987, 1989) to highlight a few. After graduation, Davis-Wrightsil continued playing professional ball internationally for seven years on teams in Italy, Japan and Turkey. In 1997, she returned stateside and played two and a half seasons in the now disbanded American Basketball League before joining the WNBA Phoenix Mercury team in 1999. While playing for the United States National Teams, Davis-Wrightsil won four gold medals in the Goodwill Games (1986), World Championships (1986,1994), and Pan American Games (1988). In 1992, as the second–leading scorer on the 1992 bronze medal-winning U.S. Olympic Women's Basketball Team in Barcelona, Spain, Davis-Wrightsil averaged 13 points per game and set the team record for 3-point shooting percentage.

Davis-Wrightsil has been inducted into the Texas Basketball Hall of Fame, the University of Texas Hall of Honors, the San Antonio Women's Hall of Fame, the San Antonio Sports Hall of Fame, the Texas Black Hall of Fame and was named one of San Antonio Business Journal's 40 Under 40 Rising Stars in 2001. In addition, she was named Southwest Conference Athlete of the Decade for the 1980's and was a finalist for the prestigious Athena Award in 2003.

She currently serves on the Board of Directors for the Spurs Foundation, KLRN TV, Southwest Mental Health Center, USA Basketball, as well as the Express News Community Advisory Board. Davis-Wrightsil is also the founder of TEAMXPRESS Foundation – whose mission is to empower girls through sports by providing positive role models, encouraging literacy, goal setting and community volunteerism; and creating opportunities for girls to participate in basketball as a summertime activity. In its two-year existence, TEAMXPRESS has been successful in securing nine full scholarships for girls in the program.

DAN HUGHES
HEAD COACH

Dan Hughes was named head coach of the Silver Stars on January 4, 2005. He brings a wealth of women's basketball experience to San Antonio having coached in the WNBA for five seasons with the Cleveland Rockers and Charlotte Sting.

Before making the move to the Alamo City he spent a year serving as the Mid-American Conference (MAC) assistant commissioner for men's basketball operations. Prior to joining the MAC's athletic office, he served as the head coach of the Cleveland Rockers from 2000-03 before the team ceased operations in the fall of 2003.

During his four-year stint with the Rockers, Hughes posted a 66-64 record with three trips to the playoffs. His overall record with the Rockers made him the winningest coach in franchise history. In his first season in Cleveland, Hughes directed the team's resurgence from a 7-25 season in 1999 to a 17-15 finish in 2000 and was voted WNBA Coach of the Year runner-up. The following year Hughes was named 2001 WNBA Coach of the Year after leading the Rockers to a 22-10 record and to their second straight playoff appearance. The 2001 Rockers were one of the best defensive teams ever, posting defensive statistics that still rank amongst the best in the WNBA record books. Cleveland led the league in three defensive categories during the 2001 season, including opponents' points per game (55.9 ppg, first in league history), opponents' field goal percentage (.381, second in league history) and opponents' total rebounds (27.84 rpg). The Rockers finished second in point differential (+6.8 ppg) and opponents' defensive rebounds (18.56 drpg). Hughes' Rockers kept 11 teams to 50 points or less, three teams to under 40 points and five teams to their franchise low, including a WNBA record 34 points vs. Washington on May 31, 2001.

While in Cleveland, Hughes orchestrated some key transactions. His first big move was signing 19-year-old Ann Wauters of Belgium with the No. 1 pick in the 2000 WNBA Draft. Wauters ended up averaging 8.9 points and 4.6 rebounds in her three years with the Rockers. In 2001, Hughes added Penny Taylor to the Cleveland roster and in her second year with the team she earned All-Star honors and led the team in scoring and rebounding. The Rockers received the first pick in the 2003 WNBA Draft and Hughes selected current Silver Stars forward LaToya Thomas from Mississippi State University. Thomas broke the Rockers single-season rookie rebounding record with 164 total rebounds and took over the number two spot for single season rookie scoring with 347 points.

Hughes took over as the head coach of the Charlotte Sting on July 11, 1999. Under Hughes' direction, the Sting improved their standing in the Eastern Conference from fourth to second place, posting a 10-10 record. He led the team to its third consecutive playoff appearance and its first ever playoff series victory. In addition to his coaching responsibilities in Charlotte, Hughes was also a scout for the Charlotte Hornets during the WNBA's offseason.

A native of Lowell, Ohio, Hughes has been involved in coaching basketball at almost every level in the Buckeye State. Prior to joining the Sting, he served as the assistant coach with the University of Toledo's women's basketball program (1996-97) and men's basketball program (1991-96). During his tenure with the Rockets' women's team, posted a 27-4 record, winning the MAC Championship, and made an NCAA Tournament appearance. He also served assistant coaching stints with the men's teams at Mount Union College (1982-84) and (1985-91) and Baldwin-Wallace College (1984-85). During the 1977-78 season, Hughes served as a graduate assistant at Miami of Ohio, helping the team to a MAC Championship and an appearance in the NCAA Regionals.

Hughes graduated with a degree in physical education and history from Muskingum College in New Concord, Ohio, in 1977. He received a master's in education from Miami University of Ohio in 1978.

Hughes and his wife, Mary, have two children, Sara and Bryce.

BRIAN AGLER
ASSISTANT COACH

Brian Alger is in his first season as an assistant coach for the Silver Stars. Last season he served as assistant coach with the Phoenix Mercury and helped guide the team to a 17-17 record after the Mercury finished with an 8-26 record in 2003.

Prior to joining the Mercury coaching staff in 2004, Agler served as the head coach and general manager of the Minnesota Lynx from 1999-2002. Before being named the first coach of the expansion Lynx, Agler served as the head coach of the Columbus Quest of the now defunct American Basketball League (ABL) from 1996-1999 compiling an 82-22 record. He led the Quest to back-to-back ABL championships in 1997 and 1998 and was named the ABL Coach of the Year for the 1997 season.

Prior to coaching at the professional level, Agler spent 15 seasons coaching among the college ranks, including 13 seasons as a head coach. He posted an impressive collegiate record of 248-135 (.648 winning percentage). From 1993-96 he served as the head women's basketball coach for the Kansas State University Wildcats. In 1988, Agler took over as the head women's coach at the University of Missouri-Kansas City. JACK GAUDREAU

HEAD SCOUT

Jack Gaudreau is in his first year as head scout for the Silver Stars, and is charged with scouting and evaluating the collegiate players entering the WNBA draft, and, more particularly, with evaluating international players as prospective Silver Star signings.

He is uniquely able to draw upon a close knowledge of European basketball, having lived in Europe for most of the past 15 years, either instructing basketball, coaching professionally, teaching literature and philosophy, sometimes doing all three. He has traveled in over fifty countries and is able to converse in French, German, Italian and Turkish.

Gaudreau first began coaching at Canterbury School in New Milford, Conn. in 1970 after his return from Vietnam where he served with US Army Special Forces.

In addition to coaching at the prep level in Connecticut, Gaudreau also founded, organized and directed a major basketball camp in Canada and served as chief clinician at TBA camps in France. He has also acted as a consulting coach to the French National Team and been an international sounding board for NBA scouts.

Gaudreau has coached professional teams in Switzerland, Turkey, and Qatar, winning a championship in Switzerland and a bronze medal in Qatar. His team in Qatar consisted of players from the Sudan, Somalia, Palestine, Iran, Oman, Senegal, and Qatar, with a trainer from Iraq. He has also coached French Olympians and an NBA first round draft pick.

In his "other than basketball" life, Gaudreau is as comfortable teaching Zeno's Paradox as he is teaching zone-traps. He has been a teacher in the International Baccalaureate Diploma program where, among other things, he has directed Shakespeare productions, taught the Emir of Qatar's children, prepared Turkish students for the rigors of Harvard and Yale, and trained teams for Model United Nations competitions.

He feels that the knowledge and understanding of different cultures he has gained from all these experiences has been invaluable in his international scouting.

Gaudreau has degrees in English from Merrimack College in North Andover, Mass., and from Seton Hall University in South Orange, N.J.

When he's not tracking down players in snowy Poland or the mountains of Sicily, he lives near the sea in Gloucester, Mass., and enjoys reading history and non-fiction, photography, blues music, and the company of his two daughters.

The SBC Center—San Antonio's state-of-the-art arena—opened in November, 2002. A public-private venture amongst Bexar County, the Coliseum Advisory Board, the San Antonio Livestock Show & Rodeo and Spurs Sports & Entertainment, the SBC Center truly offers, "Something for Everyone."

The facility hosts four anchor tenants: the NBA Spurs, the AHL Rampage, the WNBA Silver Stars and the San Antonio Stockshow & Rodeo. Additionally, the venue attracts a multitude of concerts, family shows and special events.

In its first two years, the SBC Center has hosted over 400 events entertaining over four million guests. George Strait, the Rolling Stones, Billy Joel & Elton John, Prince, Luciano Pavarotti and Van Halen are just a few of the musical acts that have visited the SBC Center. Other entertainment acts—including Sesame Street Live, WWE Smackdown and Raw, the Wiggles and championship boxing—have also made stops in San Antonio thanks to the SBC Center.

The facility offers diverse events to the San Antonio community and all of South Texas thanks in part to its various seating capabilities which range from 1,000 in its theater setting to 18,797 for a Spurs game. Recently, the venue launched a new "Tier II" campaign to leverage its ancillary meeting spaces, exhibition/trade configurations and unique special event opportunities. This additional amenity further illustrates the facility's full-service approach to every event's specific needs.

Built in a "ranch tech" style, the SBC Center is designed to present a sense of place, both inside and out. The external view, in addition to its distinctive architecture, features park-like landscaping that's both visually appealing and environmentally friendly. Inside, the design continues to capture the South Texas ambiance with festive colors and imaginative details.

Adding to the interior appeal of the SBC Center is a $1 million collection of fine art produced under the director of Spurs owners Peter and Julianna Holt. The diverse collection ranges from Texas-styled art to modern art with a basketball theme.

"We are enormously proud of the SBC Center and what it brings to the community," said Holt, who serves as Chairman and CEO of Spurs Sports & Entertainment. "We're proud to have been part of the effort. Now we can provide South Texas with some of the best sports and entertainment available anywhere in the U.S."

THE FOX

MASCOT

The Fox certainly wasn't born with a silver spoon. As a pup, there were rough times; but, big dreams. A career in the movies didn't last long. A part in The Fox and the Hound didn't pan out when it was found out what happens to the fox at the end of the movie. The Fox also tried to get a part in the movie Dances with Wolves, until it was discovered that it involved no dancing, and no wolves.

The Fox began a career in the WNBA on May 25, 2003 and has been entertaining at every Silver Stars home game since then. The Fox's rookie year stats include averaging two hand walks per game, 4.2 dances per game, and 6.4 falls per game. But, with lots of hard work and training, The Fox wants to get that number up to seven or eight falls per game. Until then, you can see The Fox at the Silver Stars' home games, and appearing around town at various events. You can even book The Fox at your next event by calling (210) 444-5865.

Birthplace: FairFox, VA
High School: Fox Tech
College: University of Silver Foxes
Height: 3.45 tails tall
Weight: Before or After Dinner?

Won the MVP award in college (Most Valuable Paws)
Only mascot in the WNBA to dribble a basketball and saliva at the same time
First mascot in the WNBA to shoot both a behind the back basket, and silly string in one game
Holds the WNBA record for most t-shirts launched in one timeout

The SBC Star Squad is a high energy male/female interactive team that performs at each San Antonio Silver Stars home game. The squad performs high energy dance, stunt, and cheer routines throughout the game. In addition, the SBC Star Squad assists in all on-court promotions, as well as greeting fans at the door and helping with any premium giveaways.

Appealing to fans of all ages, the SBC Star Squad can often be seen pulling fans out of the stands to dance and interact on the court. After each game, select members of the SBC Star Squad sign autographs as fans exit the building, while the rest of the squad entertains children and adults alike with impromptu performances.

CASHING IN AT THE CHARITY STRIPE: The Silver Stars finished the season as the top free throw shooting team in the WNBA...San Antonio shot 77.7 percent (488-628) from the free throw line, its best percentage as a team in franchise history...the Silver Stars had five players who shot 80.0 percent or better from the foul line...Agnieszka 'Biba' Bibrzycka led the team shooting 88.5 percent (23-26) from the line...Marie Ferdinand, who missed the last half of the season with a dislocated right elbow, ranked seventh in the league connecting on 85.9 percent (55-64) of her attempts from the stripe...LaToya Thomas, who made 28 straight free throws at one point during the season, shot 84.1 percent (95-113) from the line while Adrienne Goodson connected on 82.4 percent (82-107) from the charity stripe...Mandisa Stevenson finished the season 7-of-8 (87.5 %) from the foul line and Nevriye Yilmaz was a perfect 6-of-6 from the charity stripe.

GETTING TO THE LINE: With the Silver Stars taking the majority of their shots in the paint, its no wonder why San Antonio got to the line more often than their opponent...in the 34 games San Antonio played, the Silver Stars took more free throws than their opponent in 19 games...as a team San Antonio went to the line 64 more times than their opponents, and made 72 more free throws.

SHOOTING STARS: San Antonio shot 50 percent or better in six games this season and posted a 5-1 record in those games...on 9/10 at Indiana, the Silver Stars shot a season-high 59.1 (26-44) percent from the field on their way to an 82-65 victory over the Fever, also marking a league-high for the 2004 season...in their match-up against the Houston Comets on 9/9, the Silver Stars shot .500 (28-56) from the field en route to a 77-72 win...during one stretch in June, San Antonio had three straight games where the team shot 50 percent or better from the field...on 6/19 vs. Seattle, the Silver Stars shot 52.0 percent (26-50) from the field only to loose 76-60...in their next game the Silver Stars connected on 50.0 percent (24-48) of their shots, beating the Minnesota Lynx 70-57 on 6/24...finally, on 6/28 at Phoenix, the Silver Stars connected on 52.8 percent (28-53) of their shots in an 87-80 overtime victory before finally cooling off.

PLAYING THE PERCENTAGES: The Silver Stars were 8-3 when they shot better than their opponent during the 2004 season...at the same time San Antonio posted a 5-1 record when the team shot better than 50.0 percent from the field...on the other hand the Silver Stars posted a 1-21 record when they were outshot by their opponent.

WINNING BIG: Despite winning just nine games in 2004, when the Silver Stars won games they did it in a big way... of the San Antonio's nine victories this season, six were by 10 or more points...two of the Silver Stars victories were by 17 points (82-65 vs. Charlotte on 9/17 and 82 -65 at Indiana on 9/10).

BENCH VS. STARTERS: The Silver Stars starters accounted for 78.0 percent of the team's total offense (1,707/2,191 points), while the bench was responsible for 22.0 percent (484/2,191) of the team's offense...the Silver Stars bench scored 15 or more points in 15 of the 34 games during the 2004 season...on average San Antonio's starters were responsible for 50.2 points per game, while the Silver Stars bench dropped in 14.2 points per game.

BENCH PLAY: The Silver Stars reserves outscored their opponents' bench in 20 of 34 games during the 2004 season and five of San Antonio's nine wins came in those games...San Antonio's bench averaged 14.2 (484) points per game while opponents reserves averaged 14.0 (476) points per game.

PERFECTION: The Silver Stars were perfect from the foul line twice during the 2004 season, something they had only done twice in their previous seven seasons...San Antonio connected on 12-of-12 free throws at Washington on 6/15 after shooting a perfect 13-of-13 vs. Indiana on 6/1...in that game the two teams combined to shoot a perfect 22-of-22 from the charity stripe, just the third time in league history two teams have combined to shoot 1.000 from the foul line...the last time the feat was accomplished occurred when the Cleveland Rockers and Washington Mystics got together on 5/31/01 to go 11-of-11 from the stripe...here's a look at the Silver Stars perfect games from the foul line:

1998 SEASON NOTES

- The Starzz selected Margo Dydek with the first overall selection in the 1998 WNBA Draft. The move would pay off as Dydek led the Starzz in rebounding, blocks and minutes during the 1998 season.
- Margo Dydek made WNBA history when she recorded a league record nine blocked shots against the Cleveland Rockers on Aug. 6, 1998. Dydek finished the season leading the league on blocked shots with 3.8 per game.
- Wendy Palmer turned in two of the greatest scoring performances in Utah Starzz history during the 1998 season. On July 8, Palmer tallied 30 points vs. Charlotte in a 69-77 loss vs. Charlotte. Later that season she eclipsed the 30-point plateau again scoring 31 points in a 81-71 win over Sacramento on August 12. Her 31-point performance still stands tied for the highest point total for a Starzz/Silver Stars player in franchise history.

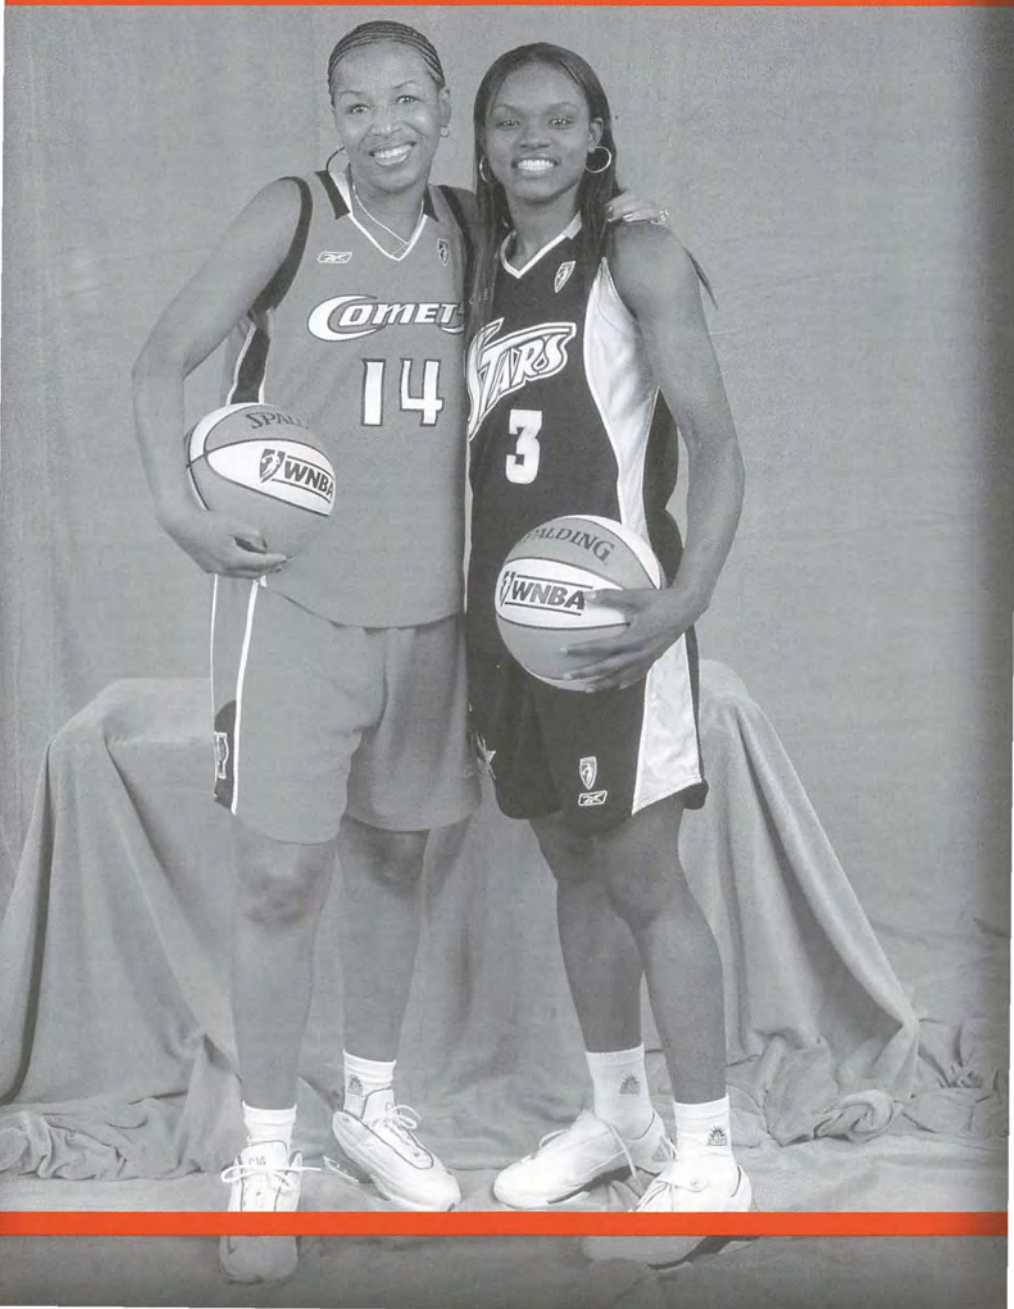
WNBA HISTORY



HISTORY OF THE WNBA

On April 24, 1996, women's basketball announced "We Got Next" as the NBA Board of Governors approved the concept of a Women's National Basketball Association (WNBA) to begin play in June 1997.

Since that day in 1996 there have been many firsts for the WNBA: Val Ackerman -- the first president of the WNBA; Sheryl Swoopes -- the first player signed to the WNBA; Cynthia Cooper -- the league's first Most Valuable Player; the Houston Comets -- the first WNBA Champions; Lisa Leslie -- the first WNBA player to dunk.

However, the very first for the league was a "to-do list." With less than 15 months to tipoff, a league of its own began to unfold for the WNBA as each task was completed. The history of the WNBA follows:

ON THE AIR . . . Before a player was signed or a staff member was in place, the league announced its broadcast partnerships with NBC, ESPN and Lifetime Television. It was decided that the WNBA season would be played in the summer when the sports calendar was less crowded and the games could be televised live. During a successful inaugural season, more than 50 million viewers watched WNBA games on the three networks.

ESPN2 joined NBC and ESPN to televise WNBA games beginning in 2001 and carried live coverage of the WNBA Draft. Lifetime, which had carried games during the first four seasons, continued as a partner through 2002, presenting Players' Journal, a weekly half-hour magazine show highlighting the on and off-court lives of the league's players and coaches.

Oxygen Media signed on to televise WNBA games in 2002, and ABC Sports became a new partner through a six-year agreement that extended the WNBA's national television coverage through 2008. Telemundo, the fastest growing Spanish language television network in the U.S., and NBA TV, the league's 24-hour television network, also joined ABC, ESPN, ESPN2 and Oxygen in carrying WNBA games beginning with the 2003 season.

WNBA games and programming reached the largest global audience since the league's inception in 2004, with WNBA content broadcast to 188 countries in 30 languages. The league delivers an audience unique in sports. In-arena, gender breakdown is approximately 80-20 female-male. The TV audience is about 50-50 female-male, with a strong percentage of non-adult viewers.

The 2004 season opened with a bang when University of Connecticut star Diana Taurasi started her much anticipated professional basketball career with the Phoenix Mercury. ABC's first televised game of the season was Phoenix at the Connecticut Sun. The telecast was the highest rated WNBA game (regular season or playoffs) ever on ABC.

THE PLAYERS AND THE TEAMS. . . The first of the player signings was announced on October 23, 1996, with Sheryl Swoopes and Rebecca Lobo joining the league. The duo was soon followed by Lisa Leslie, Ruthie Bolton, Cynthia Cooper and Michele Timms -- the first international player.

Eight teams were announced for the league's inaugural season. The Eastern Conference consisted of the Charlotte Sting, Cleveland Rockers, Houston Comets and New York Liberty while the Western Conference was comprised of the Los Angeles Sparks, Phoenix Mercury, Sacramento Monarchs and Utah Starzz.

On April 29, 1999, the WNBA and the Women's National Basketball Players Association (WNBPA) announced the league's first Collective Bargaining Agreement -- a first of its kind in women's team sports.

By 2000, the league had expanded to 16 teams, with the Detroit Shock and Washington Mystics joining the league in 1998, the Minnesota Lynx and Orlando Miracle in 1999, and the Indiana Fever, Miami Sol, Portland Fire and Seattle Storm in 2000.

The 2002 season saw 176 women play professional basketball in 256 regular-season WNBA games (schedule history: 34 games in 2003-04; 32 games from 1999-2002; 30 in 1998; 28 in 1997). Continuing to showcase talented stars from around the world, the league featured 45 players from 22 countries.

In October 2002, the NBA Board of Governors voted to restructure the WNBA to allow individual team ownership, and to allow teams to be owned by non-NBA owners and located in non-NBA markets. Orlando, Miami, Portland and Utah elected not to assume ownership of their teams, and in December, the WNBA announced the relocation of the Utah Starzz to San Antonio, which had previously been awarded a WNBA franchise. The team would be named the Silver Stars.

On January 28, 2003, the Connecticut Sun were awarded the Orlando Miracle and became the newest WNBA franchise, with the Mohegan Tribe of Indians becoming the first non-NBA owner in league history.

On April 25, 2003, the WNBA and the WNBAPA signed its second Collective Bargaining Agreement which gave WNBA players the first free agency rights in women's professional team sports.

On September 19, 2003, the Cleveland Cavaliers/Gund Arena Company announced that they would no longer operate the Cleveland Rockers.

THE WNBA DRAFT . . . The Comets selected Tina Thompson, the Pac-10 Conference's leading scorer, with the first pick of the inaugural WNBA Draft. Margo Dydek, a 7-2 center from Poland, was selected first in the 1998 Draft by the Starzz, and two-time Associated Press Women's Basketball Player of the Year Chamique Holdsclaw was the Washington Mystics' No. 1 selection in the 1999 Draft. In 2000, the Cleveland Rockers selected Ann Wauters from Belgium as the 1st overall pick, and Australian Olympian Lauren Jackson went to the Seattle Storm with the No. 1 selection in 2001. In 2002, National Player of the Year Sue Bird was selected by Seattle, who had the top pick for the second consecutive year by virtue of the WNBA's first Draft Lottery, held in New York on November 13, 2001. The Cleveland Rockers made Latoya Thomas of Mississippi State the No. 1 selection in the 2003 WNBA Draft held Friday, April 25, 2003. The 2004 first overall pick has come to be known as the worst kept secret in the history of the WNBA Draft when the Phoenix Mercury selected University of Connecticut star and three-time NCAA Champion Diana Taurasi.

THE LOGOS AND THE UNIFORMS . . . With players and teams in place, the league began its next task of creating logos and uniforms. The red, white and blue official WNBA logo -- "Logo Woman" -- was selected from approximately 50 design options. After developing an extensive list of choices, the team names were selected by the league and teams based on factors including: a tie to the NBA team name in that market, a link to a key characteristic of the city or state and/or the creation of a name fitting the current sports landscape. The uniforms also underwent several design changes, and on May 21, 1997, the WNBA unveiled the team uniforms.

On May 1, 2003, the WNBA and Reebok unveiled new uniform designs which were created to maximize performance and provide optimal comfort for the players. The jerseys are tapered to fit a woman's body and are designed to be worn untucked, providing free range of motion for the players. The new uniforms features flat-back mesh material that incorporates Play Dry™ technology -- Reebok's moisture management system that helps keep the athlete cooler, drier and more comfortable by using temperature and humidity-regulating properties in the fabric.

The WNBA and Reebok also unveiled a new style in the WNBA Footwear Collection by Reebok -- the WNBA Isolation -- at the beginning of the 2003 season. This shoe features the WNBA logo on the heel, tongue, sole and sock liner.

IT'S A BALL GAME . . . The start of the 2004 season brought some changes in the WNBA rules with the three-point line moving from 19-feet, nine inches to the international length of 20-feet, 6-inches, and the lane widening from 12-feet to the NBA width of 16-feet. The WNBA game also consists of a 30-second clock, two 20-minute halves, eleven-player rosters and a collegiate-regulation size ball. The WNBA's signature orange-and-oatmeal basketball by Spalding is 28.5 inches in circumference and one inch smaller than the NBA's regulation ball. In January 2003, Spalding Sports Worldwide and the WNBA announced the Spalding WNBA Infusion basketball, featuring a built-in, dual action Micro Pump®, as the new official game ball of the league.

MILLIONS OF FANS JOIN IN . . . The inaugural WNBA season tipped off on June 21, 1997, with the New York Liberty taking on the Los Angeles Sparks at the Great Western Forum in Inglewood, Calif. A crowd of 14,284 watched as Sparks guard Penny Toler scored the first basket in WNBA history. The Liberty defeated the Sparks 67-57. Then on August 22, the WNBA league attendance surpassed the 1 million mark at America West Arena in Phoenix. In 2001, the WNBA welcomed its 10 millionth fan on September 1 at the STAPLES Center in Los Angeles. In 2002, more than 2.5 million fans attended WNBA games, as regular-season attendance averaged more than 9,000 fans for the sixth straight season. In 2004, the WNBA season attendance topped the 2 million mark for the sixth consecutive year.

FANS GET CONNECTED ONLINE... The league website, WNBA.com, is the single most authoritative source of information for WNBA fans around the world offering late-breaking news, real-time scores, statistics, behind-the-scenes access, video highlights, the most comprehensive women's sports fantasy basketball game, WNBA Virtual GM, live chats with WNBA players and personalities, expert analysis from WNBA insiders and complete websites for all 13 WNBA teams.

On May 31, 2003 WNBA.com featured the first-ever live video webcast of a game in women's professional sports history when the Detroit Shock played the Charlotte Sting. The success of the groundbreaking webcast led to the launch of WNBA Broadband Season Pass, a multimedia subscription service featuring 10 additional live webcasts of WNBA games and WNBA Season Audio Pass with broadband highlights and features.

Overall, the popularity of WNBA.com continues to soar. During the 2004 season, WNBA.com averaged more than 60,000 visits per day.

The start of 2004 WNBA season was one for the record books as WNBA.com enjoyed a record-setting opening weekend with more than 2.5 million page views and 300,000 total visits.

IN THE COMMUNITY . . . For the WNBA, the focus has been on three primary outreach initiatives: Read to Achieve, a year-round, league-wide initiative that promotes the value of reading and on-line literacy and encourages families and adults to read regularly with young children; the Breast Health Awareness program, an initiative designed to draw national attention to the issue of breast cancer and the importance of early detection; and the Jr. NBA and Jr. WNBA, a support organization for recreational youth basketball leagues that connects players, parents and coaches in an effort to heighten awareness and participation in youth basketball. In 2003, the league debuted its WNBA Mind. Body. Spirit. campaign, which encompasses the Breast Health Awareness program and also focuses on nutrition, exercise and a positive self-image.

LEAGUE SHOWCASES ALL-STARS . . . On July 14, 1999, the league held the inaugural WNBA All-Star Game at Madison Square Garden in New York City, which was televised live on ESPN. The capacity crowd of 18,649 witnessed the incredible athleticism, teamwork, fan involvement and in-arena excitement that is unique to the WNBA. The Western Conference All-Stars -- led by the game's Most Valuable Player and Los Angeles Sparks center Lisa Leslie -- defeated the Eastern Conference 79-61.

In 2003, the WNBA All-Star Game marked its fifth anniversary with a return to Madison Square Garden on July 12. The event made its network television debut on ABC. The West All-Stars won the event for the fifth straight year by beating the East All-Stars 84-75 in front of 18,610 fans, with Nikki Teasley of the Los Angeles Sparks taking home the MVP honors.

In 2004, the Summer Olympic Games in Athens, Greece created a one of a kind opportunity for the WNBA. After the league's decision to break for the month of August to allow Olympic team members to represent the U.S., the concept for WNBA All-Stars vs. USA Basketball: The Game at Radio City was born. Serving as an Olympic Team send-off, the game -- played in front of a sell-out crowd -- made history as the first basketball game played in the historic venue.

WNBA FINALS... The first four years of the WNBA saw the Houston Comets dominate the league Finals and create the first dynasty of the WNBA. The Comets captured the inaugural Championship against New York on August 30, 1997 by a score of 65-51. Comets guard, Cynthia Cooper won the first Finals MVP award. In 1998, the WNBA Finals expanded to a three-game series and Houston defeated Phoenix two games to one. Houston's Cynthia Cooper captured her second consecutive Finals MVP award. The Houston Comets would go on to capture Championship titles in 1999 and 2000.

In 2001, Los Angeles knocked off Houston in the early rounds of the Western Conference playoffs and advanced on to meet Charlotte in the WNBA Finals. Los Angeles, due in large part to the play of Finals MVP Lisa Leslie, won the WNBA Finals two games to none. In 2002, Los Angeles advanced to the WNBA Finals and earned the right to defend their WNBA championship versus New York. The Sparks defeated the Liberty two games to zero and won their second consecutive Finals and Lisa Leslie won the WNBA Finals MVP award for the second straight year.

In 2003 the WNBA had a new championship team, after just two champions in six years. The Detroit Shock captured the WNBA crown in front of a record-setting crowd of 22,076. The Shock won 83-78 over the Los Angeles Sparks and Detroit center Ruth Riley was awarded the Finals MVP.

In 2004, the Seattle Storm and the Connecticut Sun advanced to the WNBA Finals each for the first time. In a decisive third game, the Storm who were in complete control the entire forty minutes, defeated the Sun 74-60 and Seattle guard Betty Lennox captured the Finals MVP title.

WE GOT GAME . . . Women's basketball has come a long way since its beginnings in 1892 when Senda Berenson adapted James Naismith's basketball rules for women. And with the continued growth of the WNBA, the sport continues to grow in popularity and set new standards for what women athletes, and women in general, can achieve. 2005 WNBA PLAYOFF FORMAT

Eight teams qualify for the 2005 WNBA Playoffs, the top four teams from each conference. The first and fourth place teams and the second and third place teams will each play a best-of-three first round series. The winners of the first round series in each conference will play a best-of-three conference final. The two conference final winners will meet in a best-of-five championship series called the WNBA Finals.

TIEBREAK PROCEDURE

The following tiebreak procedure shall be used to break ties for playoff eligibility, home court advantage and draft order. In determining draft order, non-playoff teams will always select before playoff teams.

1. TWO-WAY TIE BETWEEN TEAMS IN THE SAME CONFERENCE

In order to break a tie, the following criteria will be utilized in the order set forth:

(a) Better record in head-to-head games.

(b) Better winning percentage within own conference.

(c) Better winning percentage against all teams with .500 or better record at the end of the season.

(d) Better point differential in games head-to-head.

(e) Coin toss.

2. TWO-WAY TIE BETWEEN TEAMS IN DIFFERENT CONFERENCES

In order to break a tie, the following criteria will be utilized in the order set forth:

(a) Better record in head-to-head games.

(b) Better winning percentage against teams in the opposite conference.

(c) Better winning percentage against all teams with .500 or better record at the end of the season.

(d) Better point differential in games head-to-head.

(e) Coin toss.

3. MORE THAN TWO TEAMS TIED

As many teams as possible will be eliminated at each step. As soon as one or more teams are eliminated at any step, the process must begin again from step (1).

(a) Better winning percentage among all head-to-head games involving tied teams.

(b) Better winning percentage against teams within conference (if all teams are from the same conference) or better record against teams in the opposite conference (if one or more teams are in different conferences).

(c) Better winning percentage against all teams with a .500 or better record at the end of the season.

(d) Better point differential in games involving tied teams.

(e) Coin toss.

NOTE: Conference ties that affect playoff seeding will be broken prior to multi-team, two conference, draft order ties but the outcome of such playoff-seeding tiebreaker will not impact the subsequent multi-team, draft order tiebreaker (i.e., with more than two teams tied, it is possible that a higher seeded playoff team involved in a multi-team, two-conference draft order tiebreaker will also receive a higher draft selection).

SCHEDULING

FIRST ROUND

The first and second round teams in each conference will have home court advantage in the First Round and will host Game Two and Three (if needed) of the series after playing Game One on the road.

CONFERENCE FINALS

The team with the better regular season record will have home court advantage in the Conference Finals and will host Game Two or Three (if needed) of the series after playing Game One of the road.

WNBA FINALS

The team with the better regular season record will have home court advantage in the WNBA Finals and will host Games One, Two and Five (if needed) of the series after playing Games Three and Four (if needed) of the road.

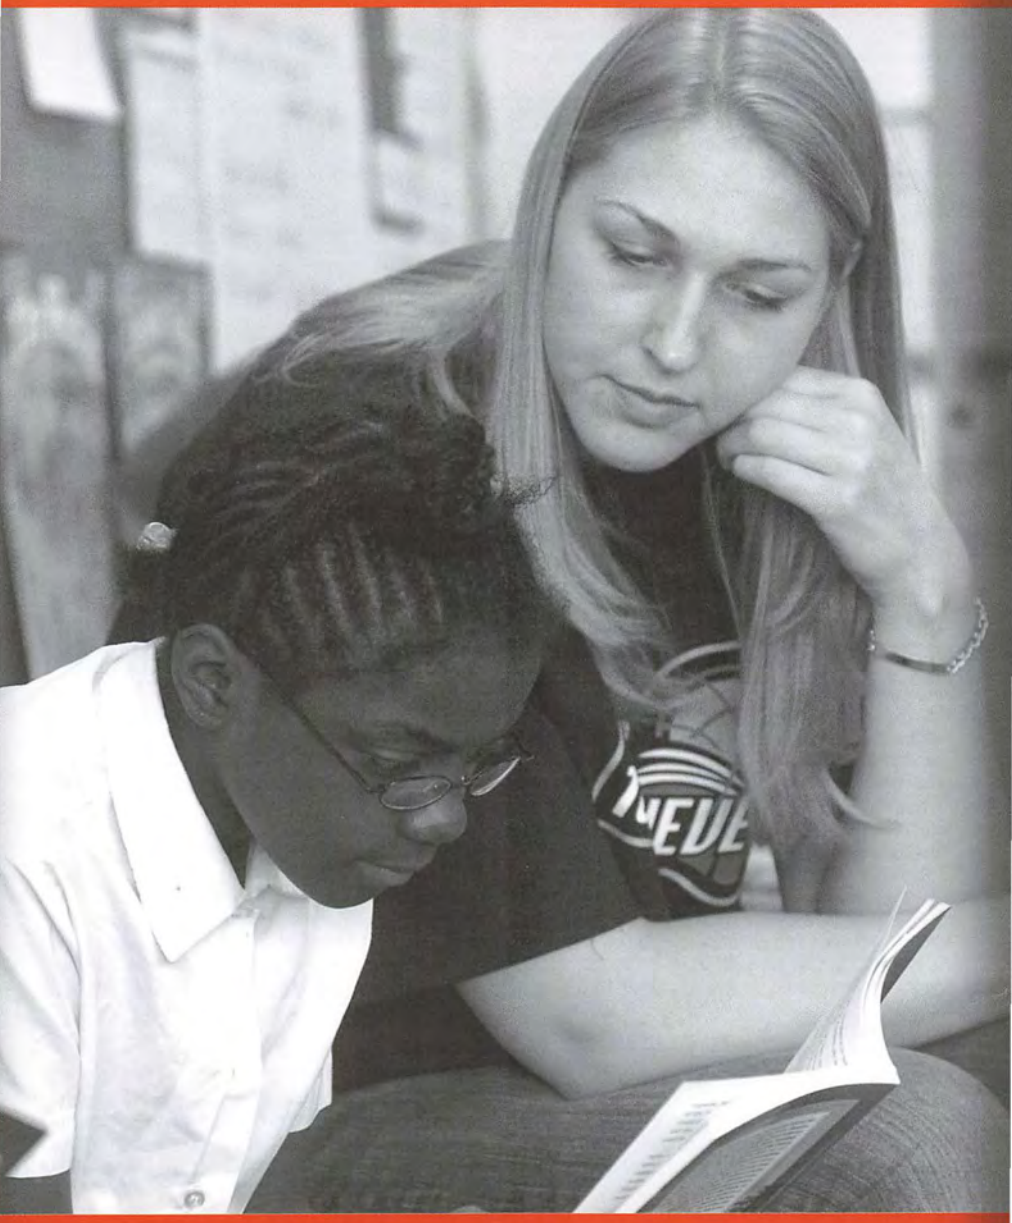
COMMUNITY RELATIONS



SILVER STARS IN THE COMMUNITY

A sports franchise is more than a collection of superb athletes – it is a partnership with its community.

We all benefit when kids succeed in school, when we have an educated workforce, when families are strengthened, when neighborhoods are safe and when everyone takes the time and responsibility to make our community an even better place to learn, live, and work. In addition, through our partnership with the Spurs Foundation, the San Antonio Silver Stars help to create opportunities and enhance the quality of life for the San Antonio and South Texas communities.

The Silver Stars connect with fans of all ages through extensive community and educational outreach activities. As we mark the ninth season of the WNBA and our third season in San Antonio, our Silver Stars players are committed and dedicated to our community and honored to be your friends and neighbors.

SILVER STARS "BE SMART, BE FIT, BE YOURSELF" PRESENTED BY MCDONALD'S

The Silver Stars Be Smart • Be Fit • Be Yourself program presented by McDonald's, is designed to educate teens and women about the risks and dangers of obesity and inactivity and to answer questions about healthy nutritional and lifestyle choices.The platform focuses on the development and execution of events and programs that emphasize the importance of good nutrition, regular exercise and positive self image and targets our youth fan base as well as their families. Throughout the year, Silver Stars players, coaches, and personnel will conduct Be Smart • Be Fit • Be Yourself clinics throughout the San Antonio community.

BREAST HEALTH AWARENESS

The Silver Stars Breast Health Awareness program will focus on generating awareness and educating women about breast cancer in addition to raising funds for the initiative. Team activities will include a Breast Health Awareness night, a 5K Run and partnerships with area breast health non-profits including: Alamo Breast Cancer Foundation, the American Cancer Society, Cancer Therapy and Research Center, Susan G. Komen Breast Cancer Foundation, Inc., and WINGS (Women Involved in Nurturing, Giving, Sharing, Inc.).

Once again, fans will have the opportunity to log onto WNBA.com to bid on their favorite item featured in the Breast Health Awareness Auction. All proceeds from these items, including games of HORSE with WNBA stars, All-Star memorabilia and WNBA autographed items, will benefit the Susan G. Komen Breast Cancer Foundation.

READ TO ACHIEVE

Through the WNBA's exciting initiative devoted to children's literacy—READ TO ACHIEVE— the Silver Stars will again unite their leading assets to promote the value of reading, as well as encourage families and adults to read regularly with young children. Here in San Antonio, the Silver Stars implement READ TO ACHIEVE through educational programming, read aloud events with Silver Stars players and coaches and free book donations. It is especially important for San Antonio to embrace literacy according to the recent findings from the "America's Most Literate Cities" study that ranked San Antonio 75th out of the 79 cities across the country.

SILVER STARS BOOK BASKETS

Each year, the Spurs Foundation partners with Scholastic, Inc. to donate hundreds of books to emergent readers. At selected home games, Silver Stars "Book Baskets" will open for young fans to stop by and pick up a new book. This literacy partnership reinforces the Silver Stars message of READ TO ACHIEVE!

SILVER STARS PLAYERS SHARE THEIR FAVORITE BOOKS

During the 2005 WNBA season, Silver Stars players will again host on court book exchanges with children randomly selected from the fans at various home games. Each child selected to participate in these center court pre-tip book exchanges will receive an autographed copy of a Silver Star's favorite childhood book.

HIGH FIVE READERS PRESENTED BY SACU AND MAGIC 105.3

During the 2004-2005 school year, an exciting four-week reading challenge rewarded first through fifth graders with great prizes, including 2,500 Silver Stars, Spurs, and Rampage tickets. Designed to challenge students to develop good reading habits, students competed individually and as a class in this well-received school-year challenge.

THE SILVER STARS AND WHATABURGER WANT WINNERS... IN THEIR CIRCLE

During the 2005 Silver Stars regular season, students from San Antonio Area Boys & Girls Clubs will be inducted into the "Whataburger Winner's Circle"—a program that recognizes hardworking Bexar County middle school students who display good citizenship and strive to do their best in and out of the

classroom, and then rewards them with free Silver Stars tickets, in game recognition and dinner from Whataburger to one middle school student at each home game.

WHATABURGER "WHAT'CHA READING" SUMMER READING PROGRAM

In its third year, the Silver Stars and Whataburger will reward more than 1,000 Bexar County children for accomplishments in reading through the "What'cha Reading" program. Every child who earns the What'cha Reading achievement certificate has the opportunity to enter a drawing for three incredible prizes courtesy of Whataburger: 1) limousine service, dinner and four floor tickets to a 2005 Silver Stars home game 2) four Silver Stars Suite passes for four to a selected 2005 home game, or 3) one community center Reading Time-Out with a Silver Stars player. Additionally, every What'cha Reading certificate includes a coupon good for one free Justaburger Kid's Meal.

BUD LIGHT CHARITY STRIPE PROGRAM

For the second year, the Silver Stars and Bud Light will team up for a summer program that will raise funds for charity as well as award a Silver Stars Suite Night to a lucky fan. More than $12,000 was raised for charity during the first year of the Bud Light Charity Stripe Program.

SPURS/PIZZA HUT DRUG-FREE YOUTH BASKETBALL LEAGUE

Each winter, the Spurs Foundation funds and oversees the Spurs/Pizza Hut Drug-Free Youth Basketball League presented by Diamond Shamrock. For 15 years, the league has annually offered more than 20,000 at-risk girls and boys the opportunity to play basketball, improve their athletic skills and learn the importance of teamwork, cooperation, sportsmanship and discipline in a drug-free and safe environment. All participants are also members of the Jr. NBA / JR. WNBA.

SAN ANTONIO NIGHT HOOPS

An extension of the Drug-Free Youth Basketball League, San Antonio Night Hoops presented by the Spurs Foundation, is a summer basketball league designed exclusively for teenagers at selected San Antonio Recreation Centers. This program offers more than 900 teens an opportunity to improve their basketball skills and learn important life skills in specialized clinics while in a drug-free social environment. All members of San Antonio Night Hoops are also members of the Jr. NBA /Jr.WNBA.

REACHING OUT TO MAKE A DIFFERENCE

The Silver Stars Care...

- Annually, Spurs Sports & Entertainment and the Spurs Foundation support more than 1,800 different area organizations with in-kind or cash contributions. These in-kind donations (tickets, autographed memorabilia, appearances, etc.) are used to raise thousands of dollars for charitable causes in the San Antonio area.
- More than 160,000 incentives, which include books, tickets, certificates, scholarships, t-shirts, and player visits are distributed through the Spurs Sports & Entertainment education programs each year to inspire a myriad of student achievements.
- Since its inception in 1988, the nonprofit Spurs Foundation has donated more than $8 million in cash and in-kind contributions to deserving South Texas children through organizations that provide basic, recreational, and medical needs.
- The Silver Stars' educational outreach programs address those youth issues rated most important by local professionals. As part of our READ TO ACHIEVE and Be Smart • Be Fit • Be Yourself initiatives, programs focus on student literacy, positive self image, healthy and fit families, and basic life skills.

SILVER STARS IN THE COMMUNITY

THE SPURS FOUNDATION

The nonprofit 501(c)(3) Spurs Foundation was established to generate goodwill and financial support for economically, emotionally and/or physically disadvantaged youth in South Texas. The Spurs Foundation's volunteer board includes fans, community leaders, former Spurs players and representatives from the corporate and civic sectors.

Since 1988, the Spurs Foundation has been handing out assists to physically, emotionally and economically underserved South Texas youth and is proud of its donations of more than $8 million. Funded solely by fundraisers and donations, the Foundation uses its resources to serve youth by encouraging their growth, creativity, development of character and education and providing opportunities to enjoy a greater quality of life.

Annually, proceeds from our fundraisers allow the Foundation to:

- Donate more than 40,000 Silver Stars, Spurs and Rampage tickets to underserved area youth, families and area charities through school-based student incentive programs
- Award more than $100,000 in grants to organizations that work with and on behalf of young people
- Team up with the Tim Duncan Foundation to recognize and reward 3,000 children who demonstrate integrity, respect, dependability, fairness, caring and civic responsibility through Tim Duncan's Character program
- Ensure that more than 20,000 youth participate in the Spurs/Pizza Hut Drug-Free Youth Basketball League presented by Diamond Shamrock
- Recognize and reward 3,000 children who make healthy nutrition and physical fitness choices through the new "Get Fit with Bruce and Buddy" program sponsored by Bruce Bowen, H-E-B and the Spurs Foundation
- Fund $25,000 in scholarships to deserving area youth

SPURS FOUNDATION GRANTS

Each year, the Spurs Foundation awards grants to nonprofit organizations seeking funding for programs for disadvantaged youth in South Texas. Grant disbursement of more than $100,000 was awarded in 2004. Four of the nonprofit organizations are then selected by the Spurs Foundation's volunteer Board of Directors to become Spurs Foundation's "Featured Charities." During 2004-2005 season, the following youth organizations received year long publicity in addition to their grants: Dr. Frank Bryant Health Center - a program of the Barrio Comprehensive Family Health Care Center, Good Samaritan Center, Respite Care of San Antonio, and Roy Maas' Youth Alternatives, Inc.

MEDIA INFORMATION

Welcome to the third season of San Antonio Silver Stars basketball. The Silver Stars media services department is here to serve you and will accommodate your needs as best as we can. We want to offer the best possible service to all of our media affiliates. The following are a few guidelines which we hope will assist you in your coverage this season.

CREDENTIALS

The only season credentials that will be honored for admission to the SBC Center are WNBA Media Passes, Silver Stars season credentials and Silver Stars single game credentials. Each of those credentials will admit the bearer to the SBC Center, media workroom, media hospitality room, press row and both locker rooms.

Media credentials will be issued by the Silver Stars media services department and will be issued prior to the start of the WNBA season for those media who regularly cover the team. Individual single game press passes can be secured by accredited members of the media by emailing or calling the Silver Stars media services office no later than 10:00 a.m. the day of a game and by 5:00 p.m. on Friday for a Saturday or Sunday game. Single game credentials can be picked up at the will call window located at the Southeast ticket tower of the SBC Center two hours prior to tip-off.

All international requests are handled by the WNBA International PR Department. Any international media member interested in covering a Silver Stars game must first submit a request in writing to the WNBA. Requests may be faxed to: Matthew Allred, Public Relations Assistant, NBA International, at (212) 407-8044.

INTERVIEWS

All interview requests for the San Antonio Silver Stars should be directed to Kris Davis. All Silver Stars practices are open to the media the last hour of each workout. In regards to game-day shootarounds, the session will be open the last 15 minutes of the workout. On game days players are generally available for 30 minutes ending one hour before the start of a game (e.g., media access shall be granted from 5:30-6:00 p.m. for a 7:00 p.m. game). Locker rooms are re-opened to the media after the game following a 10-minute cooling off period and will remain open for 30 minutes. Only working members of the press with valid credentials will be admitted into the locker rooms.

MEDIA ENTRANCE AND PARKING

The media entrance is located at the Southeast VIP entrance of the SBC Center. All media members must enter the building through this entrance. WNBA and Silver Stars season passes will be honored and single game credentials will be left at the will call window for pickup. The press doors open two hours prior to tip off. For those media members who receive season parking privileges, the media parking is located in Lot 4. For those media covering Silver Stars on a game-by-game basis please call the Silver Stars media services department at (210) 444-5738 to arrange parking needs.

MEDIA WORKROOM

The media workroom and media hospitality room are located on the event level in the southeast corner of the SBC center, and are accessible only with a valid credential. The rooms open two hours prior to game time. The media workroom is equipped with electrical outlets and telephones. For additional phone needs please call Shane Skaggs at (210) 444-5153. Game notes, media guides, running sheets and other relevant information will be available in the media workroom prior to the game. In addition, play-by-play sheets, halftime and final box scores, and postgame notes and quotes will be placed in the media workroom after the game.

COURTSIDE

All members of the media will be seated at either the courtside press table or in the overflow press seating located on the Plaza Level in sections 101-103 and 126-128. All seats are reserved with an appropriate name tag for all members of the media placed in that section. There are electrical outlets at all locations and telephones are located at various points along press row. In addition, stat monitors, which also show the in-house TV feed, are available on press row. It would be appreciated if postgame stories could be written and filed in the media workroom to facilitate any changeover activities in the SBC Center.

PHOTOGRAPHERS

The photography areas of the SBC Center are located along the baselines on both ends of the court. Photographers are asked to keep off the sideline areas in front of or behind the team benches and in front of press row. In addition, please observe WNBA rules for player escape routes – an open area approximately five feet on both sides of the basket. Only television and photographers doing postgame interviews will have access to the locker rooms. Photographers are asked to use rubber lens shades for their cameras.
